

WARRANTY

RKI products are covered under a limited lifetime warranty from breakage or manufacturer defects. Submit a claim with picture(s) showing the defective product(s) and we will normally replace the item(s) at no charge.

Normal wear and tear that changes the appearance of the item isn't covered under warranty. The warranty also does not apply to misused products, those improperly installed, those subjected to accidents, natural disasters, corrosive air and/or outdoor environments, or those altered in any way.

This warranty also does not cover any damages or expenses caused by any defective product or to replace any defective product.
